ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed by facsimile transmission on November 29, 2004, to revive the above-identified application.

The above-identified application became abandoned for failure to submit the issue fee in a timely manner in reply to the Notice of Allowance mailed October 6, 2003, which set a statutory period for reply of three (3) months. Accordingly, the above-identified application became abandoned after midnight January 6, 2004.

In response, petitioner submitted with the instant petition an authorization to charge \$685 for the petition to revive fee, and \$685 for the issue fee. As authorized, the above fees have been charged to petitioner's deposit account.

The petition is **GRANTED**.

The Notification of Change of Mailing Address filed with the instant petition has been made of record.

There is no indication that petitioner has submitted an Issue Fee Transmittal Form (PTOL-85b). Accordingly, if petitioner desires to have the information normally found thereon printed on the patent, the attached blank Issue Fee Transmittal Form should be completed and returned to the Office of Publications within **ONE MONTH** from the mail date of this decision

The application file is being referred to the Office of Publications for further processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
